

JUDE AROM F. DOMINGUEZ

+639184569930 | dominguez.jude7@gmail.com | Oroquieta City, Philippines

CAREER OBJECTIVE

Motivated and detail-oriented IT student with a growing foundation in web development, application development, and software design. Seeking a role where I can apply my technical skills to build responsive, high-quality web and mobile applications that solve real-world problems. Committed to continuous learning, clean and efficient code, and contributing meaningfully to a forward-thinking development team.

EDUCATION

USTP – Oroquieta City Campus, Oroquieta City

August 2024 – Present

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY, EXPECTED GRADUATION 2028

- **Relevant Courses:** CISCO Networking Academy (NetAcad) JavaScript Essentials 2 — completed a rigorous 50-hour self-paced program covering modern JavaScript fundamentals, DOM interaction, and practical scripting techniques
- **Leadership Trainings:** GAASO Leadership Training — USTP CDO | Leadership Training Summit (LTS) — USTP Oroquieta
- **Awards & Honors:** First Honor — 1st Year, 1st Semester | Second Honor — 1st Year, 2nd Semester
- **Clubs & Organizations:** President — Society of Information Technology Enthusiasts (SITE), SY 2025–2026; leading the organization in advancing IT culture and student development on campus

PROJECTS

JAVA-BASED AUTOMATIC ATTENDANCE & PAYCHECK CALCULATOR

- Built a Java desktop application for a small BPO company that fully automated employee attendance logging and payroll processing, eliminating manual timekeeping and significantly reducing administrative workload.
- Engineered a payroll computation engine that accurately calculates gross pay, overtime, late deductions, and net salary per employee — ensuring consistent, error-free paycheck generation each pay period.
- Delivered a clean, role-based interface for HR staff to manage attendance records, review individual pay breakdowns, and generate printable paycheck reports with minimal training required.

SKILLS

- Design: Figma, Canva, Photoshop, CorelDraw
- Development: HTML, CSS, JavaScript, Python, Git
- Other: Research, Presentation, Photography, Video Editing
